

H1 Filling in words for songs															
The itsy bitsy spider (1) Went up the water <b>spout</b> ,															
Down came the rain <b>And washed the spider out,</b>															
Out came the sun <b>And dried up all the rain,</b>															
And the itsy bitsy spider <b>Went up the spout again.</b>															
Five little monkeys (1) jumping on the <b>bed</b> ,															
One fell off and <b>bumped his head!</b>															
Momma called the doctor and <b>The doctor said,</b>															
No more monkeys <b>jumping on the bed!</b>															
Mary had a little lamb (2) It's fleece was white <b>as snow</b> ,															
Everywhere that Mary went <b>the lamb was sure to go,</b>															
Followed her to school one day <b>Which was against the rule,</b>															
It made the children laugh and play <b>to see a lamb at school!</b>															
Six little ducks (2) That I <b>once knew</b> ,															
Fat ones, skinny ones, <b>fair ones too</b>															
But the one little duck <b>with the feather on his back,</b>															
He led the others with a <b>Quack, Quack, Quack!</b>															
I'm a little teapot (3) <b>Short and stout</b>															
Here is my handle and <b>here is my spout</b>															
When I get all steamed up <b>Hear me shout</b>															
Tip me over and <b>pour me out!</b>															
Baa, baa, black sheep, (3) Have <b>you any wool?</b>															
Yes sir, yes sir, <b>Three bags full.</b>															
One for my master, <b>One for my dame,</b>															
One for the little boy <b>Who lives down the lane.</b>															
Twinkle, Twinkle, Little Star (3) How I wonder <b>what you are</b>															
Up above the world so high <b>Like a diamond in the sky</b>															

H2 Fill in blanks regarding fun																				
Let's go up and <b>down</b>																				
Winnie the <b>Pooh</b>																				
1 2 <b>3</b>																				
A B <b>C</b>																				
5 4 3 2 1 <b>Blastoff!</b>																				
Sugar Pie Honey <b>Bunch</b>																				
I love <b>you!</b>																				
Head and <b>shoulders</b>																				
Clap your <b>hands</b>																				
See you <b>later</b>

You boil water in a <b>kettle</b>																			

H10 Answer What Home Item																			
What is in the bedroom?																			
What is in the bathroom?																			
What is in the kitchen?																			
What is in the living room?																			
What is in the dining area?																			
What is in the closet?																			
What is in the yard?																			
What is in the fridge?																			
What is in the basement?																			
What is in the garage/shed?																			
What is in the hallway?																			

What is in the cupboard?																				
What is in the drawers?																				
What is in the toy box?																				
What is on the bookshelf?																				
What is in the sink?																				
What is in the freezer?																				
What is on the roof?																				
What is in the garbage can?																				
What is in the recycling bin?																				
What is on the counter?																				
What is on the endtable?																				
What is on the coffee table?																				
What is in the laundry room?																				
What is on the bed?																				
What is on the desk?																				
What is in the bathtub?																				
What is at the front door?																				
What is on the walls?																				
What is on the floor?																				

H11 Answer what function																				
What can you cut paper with																				
What can you write with																				
What can you colour with																				
What can you paint with																				
What can you cut food with																				
What can you eat soup with																				
What can you eat with																				
What can you sit on																				
What can you lay on																				
What do you eat at																				
What do you eat from																				
What do you eat soup from																				
What do you drink from																				
What do you drink tea from																				
What do you measure with																				
What do you mix with																				
What do you mix in																				
What holds juice																				
What do you cook soup in																				
What do you put clothes in																				
What do you fry food in																				
What do you store food in																				
What keeps food cold																				
What keeps food frozen																				
What keeps food warm																				
What peels potatoes																				
What opens cans																				
What makes it light																				
What keeps you warm																				
What do you watch																				
What do you play games on																				
What do you listen to																				

What wakes you up																			
What looks nice on walls																			
What do you play with																			
What do you carry food on																			
What do you put your head on																			
What do you hang clothes on																			
What do you wear																			
What do you put on your head																			
What do you put on your feet																			
What do you put on your hands																			
What cleans your body																			
What cleans your hair																			
What cleans your teeth																			
What cuts your nails																			
What keeps your neck warm																			
What stores garbage																			
What stores recycling																			

H12 Answer Where Home Item																			
Where is milk?																			
Where is garbage?																			
Where is recycling?																			
Where is bread?																			
Where is eggs?																			
Where is ice?																			
Where is water?																			
Where is juice?																			
Where is pasta?																			
Where is clothes?																			
Where is coathangers?																			
Where is the toilet?																			
Where is the tub?																			
Where is the sink?																			
Where is the table?																			
Where are chairs?																			
Where is the couch?																			
Where is the bed?																			
Where is the dresser?																			
Where are endtables?																			
Where is the coffeetable?																			
Where is the fridge?																			
Where is the stove?																			
Where is the broom?																			
Where is the TV?																			
Where are socks?																			
Where are shoes?																			
Where is the remote control?																			
Where are the lights?																			
Where is the carpet?																			

H13 Answer Where Home Act																			
Where do you eat?																			

Where do you cook?																				
Where do you sleep?																				
Where do you watch TV?																				
Where do you play?																				
Where do you do homework?																				
Where do you read?																				
Where do you put milk?																				
Where do you put ice?																				
Where do you put bread?																				
Where do you put clothes?																				
Where do you put laundry?																				
Where do you wash dishes?																				
Where do you wash clothes?																				
Where do you bath?																				
Where do you wash hands?																				
Where do you wash hair?																				
Where do you get dressed?																				
Where do you brush hair?																				
Where do you brush teeth?																				
Where do you bake?																				
Where do you put food?																				
Where do you put garbage?																				
Where do you recycle?																				
Where do you use the toilet?																				
Where do you come in?																				
Where do you get mail?																				
Where do you put shoes on?																				
Where do you put books?																				
Where do you sit?																				

H14 Fill in item given class																				
A type of animal is a <b>dog</b>																				
A type of food is an <b>apple</b>																				
A type of clothing is a <b>shirt</b>																				
A type of furniture is a <b>chair</b>																				
A type of toiletry is <b>soap</b>																				
A type of tool is a <b>hammer</b>

Which one has buttons, a <b>phone</b> or a book?															
Which one has a door, a <b>fridge</b> or a cow?															
Which one do you eat, a <b>hamburger</b> or a truck?															
Which one do you ride in, a <b>plane</b> or a computer?															
Which one do you read, a <b>book</b> or a toaster?															
Which one do you cook on, a chair or a <b>stove</b> ?															
Which one do you buy with, shoes or <b>money</b> ?															
Which one to you see at a zoo, a boat or an <b>animal</b> ?															
Which one do you throw, a game or a <b>ball</b> ?															

Why do you say thank you?															
Why do you say please?															
Why do you say sorry?															
Why do you wear a hat?															
Why do you drink water?															
Why do you read?															
Why do you get breaks?															
Why do you work?															
Why do you wash your hair?															
Why do you dry your hair?															
Why are there police?															
Why are there firefighters?															
Why are there ambulances?															
Why do you go to the mailbox?															
Why do you go to the bank?															
Why do you watch the news?															
Why do you have friends?															
Why do you feel happy?															
Why do you feel sad?															
Why do you feel angry?															
Why do you feel tired?															
Why do you feel excited?															
Why do we do math?															
Why do we read?															
Why do we write?															
Why do you like candy?															
Why do you have a chair?															
Why do you have a desk?															
Why do we have home books?															
Why do we use calculators?															
Why do we use rulers?															
Why do we use lined paper?															
Why do we use computers?															

Why do we have a weekend?																			
Why do use hand lotion?																			
Why do birds fly south?																			
Why do bears hibernate?																			
Why do we look then cross?																			

H34 Steps in a sequence																			
How do you put on a movie? <b>Put movie in slot, press play</b>																			
How do you make toast? <b>Put in, press down, take out</b>																			
How do you wash your hands? <b>Wet, soap, rinse, dry</b>																			
How do you get dressed? <b>Pant undies, shirt, sock, shoe</b>																			
How do you take a shower? <b>Water, hair, body, rinse, dry</b>																			

H35 Activity of sequence																			
Water, shampoo hair, soap body, rinse body, dry– <b>shower</b>																			
Put on undies, pants, shirt, socks, shoes – <b>get dressed</b>																			
Wet hands, soap, rinse, dry – <b>wash hands</b>																			
Put break in, press down, pops up, take out – <b>make toast</b>																			
Put movie in slot, press play – <b>put on movie</b>																			
Open lid, put CD in, close lid, press play – <b>put on music</b>																			
Open lid, put in clothes, close, soap, turn on – <b>wash clothes</b>																			
Open front, put in clothes, lint, close front, on – <b>dry clothes</b>																			
Plug sink, fill with water, soap, washcloth, wipe – <b>dishes</b>																			
Bowl, cereal, milk, spoon – <b>make cereal</b>																			
Turn on, aim camera, press the button – <b>take a picture</b>																			
Wet cloth, wipe table top, rinse cloth – <b>wipe down tables</b>																			
Get broom, wipe on floors, dustpan, garbage – <b>sweep</b>																			
Start button, turn off button, turn off – <b>turn off computer</b>																			
Kick the ball to the other side, kick into net – <b>soccer goal</b>																			
Dribble ball to other side, throw into net – <b>basketball score</b>																			
Sit in circle, touch heads, say goose, run– <b>duck duck goose</b>																			
Walk to end at green light, stop at red– <b>red &amp; green light</b>																			

Roll die, move man, up ladder, down snake– <b>snakes&amp;ladders</b>																				
Get in water, move arms, kick feet – <b>swim</b>																				

H36 Give item multiple feature																				
You eat it, crunch, salty, comes in a bag – <b>chips</b>																				
You eat it, yellow, you peel it – <b>banana</b>																				
You drink it, clear, from tap – <b>water</b>																				
You bounce it, it is round – <b>a ball</b>																				
You use it to hit a puck, it is long – <b>a hockey stick</b>																				
You jump high on it, it is round – <b>a trampoline</b>																				
You throw a ball through it, it is up high – <b>net</b>																				
You write with it, it is long, it has ink – <b>a pen</b>																				
You write with it, it is long, it has an eraser – <b>a pencil</b>																				
You colour with it, it has a lid – <b>marker</b>																				
You put them on your feet, they have laces – <b>shoes</b>																				
You put it on your hands, it has fingers – <b>glove</b>																				
You write on it, it sometimes has lines – <b>paper</b>																				
You put food in it, it is big, it has a door – <b>a fridge</b>																				
You read it, it has a cover – <b>a book</b>																				
It flies, it is small, it stings, it is yellow – <b>a bee</b>																				
It has a screen, it has a keyboard – <b>computer</b>																				
You cook in it, it goes on a counter – <b>microwave</b>																				
You sit at it, it has four legs – <b>a table</b>																				
You sit on it, it has four legs and a back – <b>a chair</b>																				

H37 Yes or No questions																				
Can I buy gas at the shoe store?																				
Can I buy food at the hardware store?																				
Can I buy medicine at the pharmacy?																				
Can I buy food at the grocery store?																				

Can I find a doctor at the hospital?																				
Can I find a teacher at a hospital?																				
Can I find a doctor at the bank?																				
Can I find a teacher at a school?																				
Can I eat shoes?																				
Can I eat a banana?																				
Can I eat ice cream?																				
Can I eat a table?																				
Can I drive a book?																				
Can I read a book?																				
Can I wear pants?																				
Can I wear a chair?																				
Can I wear socks?																				
Can I wear a computer?																				
Can people fly?																				
Can birds fly?																				
Can fish swim?																				
Can people swim?																				
Can cars fly?																				
Do snakes slither?																				
Do snakes jump?																				
Do flies swim?																				
Do planes go fast?																				
Do trains drive on roads?																				
Do you go to school to learn?																				
Do you go to the bathroom to buy pizza?																				
Do you go to a restaurant to buy food?																				
Do you mow the lawn in winter?																				

Do you mow the lawn in summer?															
Does it get warm outside in winter?															
Does it get warm outside in summer?															
Do we eat supper at school?															
Do we eat lunch at school?															
Do we have a gym at school?															
Do we have books at school?															
Do we have an elephant at school?															
Will you fly to school tomorrow?															
Will you eat today?															
Can I wash my hands with a drill?															
Can I wash my hands with a cake?															
Can I wash my hands with soap?															
Can I sleep on a stapler?															
Can I sleep in a bed?															
Can I wear underwear on my feet?															
Can I wear socks on my feet?															
Can I wear mittens on my head?															
Can I wear a hat on my head?															
Can I bounce a fish?															
Can I wear a monkey?															
Can I eat a clock?															
Can I tell time with a eraser?															

H38 Multiple answers 2 part															
Hot foods – <b>pizza</b>															
Hot foods – <b>hot dogs</b>															
Hot foods – <b>soup</b>															
Hot foods – <b>spaghetti</b>
